

PCMG October Workshop

Disagreeing to disagree - Resolving conflicts in outsourced clinical trials

26 October 2023
Scandic CPH Strandpark, Copenhagen

09:00 Workshop Registration, Tea & Coffee

09:30 Introductions

Lan Bandara, Argenx
Dario Campos, Fortrea

09.40 Conquering conflict through collaboration

Jacqui Gatehouse, Founder, Gatehouse Thirteen

- Overview discussion on common sources of conflict, analyse why conflicts arise, risk areas, preventative measures and how to navigate through them.
- Discuss tools and practical tips to identify risks and focus on creative solutions.

10:30 Refreshment break

11:00 Top areas of conflict with sponsor vs CRO perspectives

- Survey Outcomes – *Lan Bandara, Argenx*
- This practical and interactive session will help us to learn from our peers what we are facing as an industry and how to overcome the evolving challenges with our partners. Embrace conflict and learn how to navigate conflict constructively.
- Focused session on Legal and Operational issues and conflicts.

Facilitator: Jacqui Gatehouse

Panellists: Hector Herrero, Fortrea

Fen Davies, Fortrea

Christian de Hemmer Widding, Leo Pharma

12:15 Lunch

13:15 Practical Workshop Scenario 1

Facilitators: Lan Bandara & Dario Campos

- Interactive session working through a practical exercise with workshop leaders providing real-time feedback
- Discussions with fellow professionals to achieve resolutions to industry-wide challenges

14:00 Refreshment Break

14.25 Practical Workshop Scenario 2

Facilitators: Lan Bandara & Dario Campos

- Working through a second practical exercise with skilled workshop leaders providing real-time feedback

15:30 Joint Pharma/Biotech & CRO Case studies

Hector Herrero, Fortrea

Featuring real examples from Fortrea clients offering examples of conflict resolution and avoidance.

There are always two perspectives. How to survive and become stronger partners after conflict resolution, myth or reality?

16:05 Workshop wrap-up

Lan Bandara, Argenx

A review of the day in terms of key outcomes.
